

# **Clarification by Central Office**

**There are two issues which need to be clarified.**

**(1). About DPCs: The recent developments pertain to the case of IBES officers. We are no way affected by this. ARTEE President discussed the issue in DG (AIR) with some officers. For us, AE to ADE promotions are approved by Hon'ble MIB and all promotions below this level pertains to DG(AIR). DoPT/UPSC is no way involved. The present information is arising out of a high level meeting of ACC (Appointment Committee of Cabinet) in PMO. So at this juncture it is a futile exercise for us to discuss this issue. All IBES officers promoted recently have already joined. But for sure, we will keep a close watch on developments to protect interests of our Members.**

**(2). Prasar Bharati issued draft Recruitment Rules for the merged posts of EA and SEA. A copy is marked to ARTEE also. We have been following this issue in an urgent basis. Please note that these are draft Recruitment Rules only. We have been asked to submit our comments within 30 days. There are several issues of our concern like Tech/Sr.Tech Merger, nomenclature of merged cadres etc. We will address these issues also. After finalization these will be sent to the Hon'ble MIB for approval. But the matter of satisfaction in this issue is the fact that things have started moving fast.**

**We also want to make it clear that this is not Cadre Review. This is the notification of draft of the Recruitment Rules for the post of (All India Radio & Doordarshan (Group 'B' Posts) (Subordinate Engineering Service ) Assistant Engineer and for the merged post of Engineering Assistant and Senior Engineering Assistant), which is necessitated due to the implementation of the Sixth CPC recommendations in which the cadre of Engineering Assistants were upgraded and merged with the cadre of Senior Engineering Assistants.**

**[Click here for the Draft of Recruitment Rules](#)**

**Central Office is trying to settle the issue as quickly as possible.**
