

## **Victory of Joint Stand by ARTEE and PSA on Recovery**

It was around three weeks back when information came in that AIR Dharwad has started Re-fixation of Pay Scale of Engineering and Programme staff by treating 25.02.1999 scales as an Upgradation while granting MACP. It was feared that other stations may also start the same.

ARTEE & PSA President met CEO on 12.04.16 and expressed resentment on the development even when absolute stay is imposed by Court. CEO immediately called ADG(A), DG(AIR) and asked him to meet us. In the afternoon, we both met ADG(A) and had a detailed discussion. As a result matter of AIR Dharwad referred to DG(AIR).

It is a matter of satisfaction that AIR Dharwad has issued an order to keep the Recovery and Re-fixation of Pay of Programme and Engineering Staff in abeyance.

We are trying that a general order for the same purpose may be issued for all stations.
