

Grant of Grade Pay 5400 (PB-2) to AEs, Who Completed 4 Years of Regular Service

On 25th May 2016, DG(AIR) issued an Order in OA 1515/2015 filed by Neeraj Chaudhary and Ors. for grant of Grade Pay Rs. 5400 (PB-2) on non functional Basis. We welcome the decision.

After this we have been receiving calls from AEs about it. As per information another 128 AEs have filed cases for the same. Today we discussed the issue at various levels.

In today's scenario all AEs are in favor of getting this. We agree with this as in Union movement whatever is possible it is achieved first and fight is continued for the left out demand.

We hope that it will be beneficial in handling MACP Recovery issue. We have discussed the issue in Ministry also and the issue is being considered. We are trying that for this power may be delegated to DG(AIR) for issuing a General Order for this.

We will continue to pursue the issue and if required we shall file a case also for extending the benefit to all AEs.
