

## **Letter to Hon'ble Prime Minister - ARTEE's Concern about Funding after March 2017**

As a responsible Service Association it is our duty to be concerned about all the developments related to Employee welfare. As we are aware, as per decision of Hon'ble GOM, funding to Prasar Bharati had to be done for a period of 5 years. This period is ending on 31st March 2017.

We have written to Hon'ble Prime Minister for continuous and full funding to Akashwani and Doordarshan. We have made efforts to establish that in comparison to other leading Public Broadcaster of the world, Prasar Bharati is among the lowest funded Public Broadcaster.

ARTEE will continue its efforts to take up the issue at various levels.
