

Update of ACP PATNA

MJC 2912/2015 in CW(JC) 2797/2014 by Sh. N.K.Srivastava and Ors came up for hearing in Hon'ble High Court Patna on 30.03.2016.

As per our information and as per President's discussion with Sh. N.K.Srivastava, DG(AIR) submitted a reply that scale of Rs. 8000-13500 can not be given to the applicant as per clause 52 of ACP Clarifications 2001.

Applicants are asked to submit rejoinder and the next date of hearing is on 27.04.2016. We are fully aware about the importance of this case. We have offered total help to Sh. N.K.Srivastava.

It is pertinent to mention that due to non availability of funds, we are unable to challenge ARTEE's case OA 4249/2014 in Hon'ble High Court, since Ex Treasure not cooperated and refused to release the funds for this.

We believe that he acted against the interest of ACP PATNA, as not challenging the Speaking Order dated 13.10.2015 has boosted the morale of the Management. If we had filed and succeeded in getting some favourable order, the sinister moves of Management could have been opposed, but by his non-cooperation things had worsened. It has certainly harmed the cause. At present, our accounts are blocked due to complaints by him and all welfare oriented works are halted.

We want to make amply clear that ACP PATNA is one of the core issues on which Central Office is working with utmost sincerity. We are sure that present Central Office has done maximum efforts for the cause in comparison of all previous bodies.

Please recall that in the beginning of 2015, DG(AIR) has filed Writ Petition CW(JC) 1869/2015 in Hon'ble HC Patna to challenge the original litigation of PATNA in OA 514/2002. It was we, who filed Interlocutory Application IA 2918/2015 for allowing to intervene in litigation as we have been served a speaking order that our issues will be considered only as per outcome of the CW(JC) 1869/2015.

The issue was mentioned in High Court for three days and it was on the hearing of our IA 2918/2015 on 12th May 2015 ,the Government Writ Petition CW(JC) 1869/2015 dismissed.

Now a blame game is on to held Central Office responsible for everything which is not favourable. We are even being held responsible for unfavourable order in the case filed by other Association.

We once again reiterate our stand that, We are committed to do whatever possible for the cause.

Central Office
