

ACP Patna Comes Alive - Noticed Issued for Criminal Proceeding in M.A./3254/2016

Few weeks back we gave information about MA (backed by ARTEE) to start criminal proceedings in an Individual Case OA 2591/2014 filed by Sh.Vinod Kumar & Ors.

Today (09.11.16) the MA 3254/2016 came up for hearing in CAT Delhi.

Hon'ble Court issued notice to Sh. Ajaya Kumar KP for double speak and misleading the Court. Sh. Ajaya Kumar KP has to reply that why permission to start criminal proceedings should not be allowed. Government Counsel argued in support of Sh. Ajaya Kumar KP, but Hon'ble Court taken a serious note of the issue and found substance in the case and issued the notice.

ARTEE Central Office believes that it will certainly put pressure on the Department.

Next date of hearing is on 21.12.16.

This case is the strongest case in the issue of ACP Patna and completely backed by ARTEE.

We intended to do the same way back, but due to extreme leg pulling, blocking of Bank accounts of our Association and other reasons it is delayed.

Nevertheless today's development is positive and we will take this forward.
