

Hearing in Civil Suites by Sh. Ashwani Dagar and Sh. Prokash Chakraborty against ARTEE

Civil Suite by Ashwani Dagar & Prokash Chakraborty came up for hearing in Patiala House today the 09th May 2016.

ARTEE submitted Affidavit for conducting elections as per bye laws passed on 20/11/15 in Allahabad after compliance of Statuary Compliances like Renewal of Registration, Approval of bye laws by PB/Registrar of Societies & Preparation of Voter List.

We also informed Hon'ble Court about Recent Resolutions passed by some Units & Regular use of defamatory words like Fake elected etc on Socializing websites. We also produced copies of some of the letters signed by Members on instigation of some leaders. Our Advocate argued that these letters show the lack of faith on Judiciary by Plaintiff.

Ld. Judge issued oral direction to Advocate of Plaintiffs to stop such activities.

From this direction of Hon'ble Court it is clear that Resolutions adopted by some Units are illegal and against the bye laws and the Id. Court may take a strong view on throwing filth and garbage through Social Media.

Our Advocate has strongly submitted that elections are not delayed because of us as we declared elections on time and it is the plaintiff who filed the suite in Hon'ble High Court and prayed for stay. Now also we want to conduct elections after compliances of statuary and mandatory requirements which are delayed due to pendency of present suites.

Arguments took place & Advocate of Plaintiffs took time for filing reply. Next Date 1st June 2016.

In today's hearing we were ready to finish the matter but this date is given on the request of Advocate of Sh. Ashwini Dagar & Sh. Prokash Chakraborty.

An Advocate also Appeared on behalf of Defendant no. 3 i.e. R.O. of stayed election.

Central office caution all these Units for indulging in passing such illegal resolutions failing which Central office will be compelled to take action as per bye laws.

Central Office
