

Renewal of Registration - AROS Allahabad Issued Notice to ARTEE and Sh. Prokash Chakraborty

As we have informed on 29.06.16 President submitted relevant Papers in O/o of Assistant Registrar of Societies, Allahabad for Renewal of Registration.

We wanted that let the civil suites filed by Sh. Prokash Chakraborty and Sh. Ashwani Dagar be disposed and then we shall immediately apply for Renewal of Registration, because at the time of Renewal of Registration, an Affidavit has to be submitted mentioning about litigations pending against the Association if any. While the Civil Suites are continuing, we have to mention about these civil suites. In such case AROS office may take a different view about renewal.

In hearing of 01.06.2016, representatives of the Plaintiff argued before Honorable court that we are deliberately delaying the Renewal and we have not even applied. In this scenario, we were not left with any other option and President went to Allahabad and applied for renewal of our registration on 29.06.2016.

Sh. Prokash Chakraborty also filed a Complaint in AROS office and it is still pending. Earlier, we had requested Sh. Chakraborty to withdraw the complaint because pending his complaint will create another problem in Renewing the Registration.

Our both apprehension are proving right. Yesterday on 06.07.16, AROS office has issued a notice and asked Association and Sh. Prokash Chakraborty to appear before AROS, Allahabad on 29.07.16 with all documents of both Civil Suites.

The Renewal, which could have a smooth passage after disposal of these civil suites is now made bit complicated by quoting the issue in Hon'ble Court.
