

# **ARTEE Dharna in Front of DG DD Office on** **23.06.2016**

As you are aware, stopping illegal recoveries from Employees is on our top most priority issue. We have been exploring the recent spurt of recoveries and reason behind this.

The root cause is an order issued by Prasar Bharati Secretariat through which it was instructed both the Directorates to send the Papers of Retiring Employees to Inspection Unit before sending it to Pay and Account Offices. It has created a situation of anarchy as Inspection Unit has started digging into the issues.

When it was explained to the authorities, AIR Directorate has issued a letter to Prasar Bharati to take corrective measures.

President discussed the issue with Member (F) some weeks ago and requested to solve the crisis by restoring the earlier procedure.

ARTEE announced the notice of lunch hours Dharna in front of DG DD Office on 23.6.16. PSA, ADP3, Group 'D' Association of Doordarshan also extended the support.

Pressurized by the Dharna Notice, ADG(A) Sh.P.A.Naidu and Sh. S.K.Kaul, ADG(B&E) held a meeting with ARTEE office bearers and Sh. Naidu informed that they have also taken up the issue with Prasar Bharati and gave a copy of letter written to Prasar Bharati.

Other issues also discussed and it was assured that these will be settled in period of three months.

So after the meeting the Dharna is deferred for three weeks.
