

ARTEE's Concern about Diploma Holder AEs for AE to ADE Promotions

ARTEE has always favored the opening of promotional Avenues for Diploma AEs.

Some AEs have referred us a Verdict of CAT, Principle Bench Delhi in OA 1348/2015 filed by CPWD Engineers Association through its General Secretary. Through this OA they prayed that Diploma with 10 years of service should be treated equal to Degree.

Hon'ble CAT, Principle Bench Delhi gave a favorable verdict that Diploma with 10 years of service should be treated equal to Degree and these AEs should be granted opportunity for promotions.

We sought legal opinion on this matter and our advocate informed that Government has filed a writ petition to challenge this verdict in Hon'ble High Court Delhi. He advised us that, we may file a case for our Diploma AEs also in the basis of CAT Judgment or we can wait till it is finalized in Hon'ble High Court.

We are viewing all options and want to make it clear that interests of Diploma AEs are also on priority for us. After discussion on appropriate forum within Association we will take a decision.
