

## **ARTEE's View Point about Transfer List of AEs From DD to AIR**

When we received the information that Prasar Bharati is planning to transfer few AE post from LPTs to All India Radio, we immediately submitted our resentment through letter dated 07.03.17 (available on our website) and we had a meeting with DG Doordarshan on 09.03.17 in this matter. Minutes of this meeting is awaited.

The present list is Inter media Transfers and henceforth released by Prasar Bharati with the consent of both DGs/E.in.Cs.

DG DD herself told us that she visited some LPTs recently and was very much annoyed with pathetic situation and Staff present on duty in LPTs.

On the other side Government is emphasizing to improve the Functioning of FM Radio Stations. It is also told that most of the transfers are done to the same city or to the nearby station of AIR.

We are taking up this issue but we cannot close our eyes to the reality.

**Central Office.**
