After this order, many Prasar Bharati Employees joined ARTEE. We are aware that Engineering Assistants and Technicians are recruited in lower scales and facing discrimination. We have been waiting for the issue of 6500-10500 scale for pre 05.10.2007 Employees to be settled first. Now ARTEE is putting your concern on top priority since almost all pre 05.10.2007 EAs have got 6500-10500 scale. We are now going to file case for Prasar Bharati Engineering Assistants.
