

ARTEE SZ met DG DD in Hyderabad

Today (19.05.17), ARTEE, VP(VZ) Sh.M. Seshagiri and Senior ARTEE leader S.S. Jaffania, along with other senior ARTEE members met DG-DD Smt. Supriya Sahu at Hyderabad, where she is attending a workshop on DTT.

We sought her views on the proposed closure of LPTs. She assured us that the staff will be adjusted/redeployed at nearby stations, and being government employees, there will not be any kind of threat to their job security.

We told her that the problem essentially is of quality of programme content, and not of terrestrial transmission. We submitted a representation highlighting this aspect, and making some suggestions. Madam assured to look into the concerns.

Central office.
