

## **Meetings in Pink City Jaipur (Rajasthan)** **18.04.17**

In our bid to remove misconceptions and confusions spread for vested interests of breaking the Unity of Employees, ARTEE leadership including President, VP(TV) & Secy.(Sr.Tech/Tech) today held meetings in DDK and AIR Jaipur.

Meetings were attended by large number of Members of all Associations from the Cadres of Helper to AEs. In DDK Meeting 50+ Members were present.

After satisfactory updates of the current situation, Majority of the Members who filled forms of Unrecognized Association agreed to join back ARTEE.

Prasar Bharati Employees also attended the meetings and took updates. In both meetings Members requested leadership to reconcile the issues amicably. President informed that already Central Council in Kolkata on 23.02.17 has adopted a Resolution that any Ex ARTEEian who left ARTEE, suspended or expelled is welcome with an open heart but no one is bigger than the Association. The DDK Meeting was covered by DD Rajasthan.

**Following Office bearers were elected unanimously. In DDK Meeting Sh.Moola Ram, AE DDK Jaipur was Nominated Interim State Secy. (Rajasthan) and Sh. S.K.Jain , EA AIR Jaipur was nominated Interim Organizing Secy. (Raj.) till New office bearers are elected.**

We convey our thanks to Members in reposing faith in ARTEE and nullifying the negativity spread by Enemies of Unity. We shall continue our endeavor to conduct such meetings to strengthen our Association.

The hard work in arranging the meeting by Sh. BASANT Lal Meena, VP I/C (NZ), Sh. Moola Ram, Sh. Ram Prakash, Sh. A.K.Trivedi, Sh.R.K.Gupta, Sh. Sanjay Kapoor, Sh. U.N.Gupta, Sh.Vijay Haroor, Sh.C.L.Soni, Sh. M.L.Jain, Sh.D.K.Singh, Sh. Sudhish Saraswat and others is really commendable.
