

Reminder to Prasar Bharati about Appointment Observer for Elections

We have come to know that some people are trying to spread canard about declaration of Elections while they themselves are responsible for Appointment of Observer and thereby delay on declaration of Elections. Now if we declare election without observer by Prasar Bharati, it will be violation of Court Verdict and election may be cancelled.

Out byelaws are approved by AROS, Allahabad on 25.02.2017, this is also an statutory requirement for declaration of Election and approved by AROS was delayed due to pendency of Court cases filed by Sh. Prokash Chakraborty and Sh. Ashwani Dagar. Immediately after approved by AROS, we have written a letter to Prasar Bharati for appointment of Observer on 01.03.17 although direction was given by Court to Prasar Bharati to appoint the Observer in 3 weeks.

The file for Appointment of Observer is in process in Prasar Bharati and Elections will be declared immediately after the appointment of Observer by Prasar Bharati.

Today President has sent a Mail is to CEO, Prasar Bharati and other officers for the same. **We request our Members not to fall in the trap of People who are notorious for spreading wrong information only.**
