

## **My Observations about the Meetings in Kerala, Karnataka, Telangana and A.P.**

**My beloved ARTEEians ,**

**Yesterday 11.02.17, I came back from my exhaustive but very productive tour of South Zone. I addressed three meetings in three different States in four days.**

**First, the Seminar and Workshop in Kozhicode (Calicut), Kerala on 7<sup>th</sup> Feb, then Karanataka Meeting in Banagaluru on 09<sup>th</sup> Feb and then Andhra/Telangana Meeting in Hyderabad on 10<sup>th</sup> Feb. Meetings were attended by large number of Members from different parts of these states. In three meetings I have come across the excellent commitment of ARTEE Members and their dedication towards the Association. The Members are totally committed to ensure the failure of any move against the Unity and Integrity of our beloved Association.**

**These Meetings have successfully enlightened and updated the members in all issues, whether on Cadre Based or on Organizational matters. Members accepted this fact that all problems we facing today are the product of wrong decisions taken by the earlier leadership. I asked Members to point out any issues developed due to any decision taken by me or the present leadership of ARTEE. Strangely the people who enjoyed name, fame and power on top posts of our Association since last 17 years are now blaming present leadership for which they have no right. Members were visibly satisfied when I told them about the efforts of current central office to solve the issues. I told them that currently we are working on 14 issues and all are gifted to us.**

**These Meetings have successfully cleared the lies being spread by miscreants. I was surprised about the different types of lies spread by them. Members asked me that when these people could not solve any of our cadre specific issues even after enjoying the top posts for almost 19 years what they will do now. Clearly the efforts are to misguide the members. Another lie is spread about the exodus from ARTEE. I found it is nowhere. Members are committed and no one wants to leave ARTEE.**

**I appreciate the efforts and whole heartedly convey my thanks to, Sh.Harikrishnan Nair, Sh.V.N.Harilal, Sh. Zubair Konnikkal and Sh.Roby MK, who accompanied me up to Hyderabad. Their Commitment against divisive forces and for unity of ARTEE is unmatched.**

**After the meeting I am sure that spirit of Unity in ARTEE is unbeatable, the spirit of ARTEEianism is unmatched and ARTEE Flag will always fly high and undeterred. Divisive forces will always be defeated when they will try to divide ARTEE. Such committed Members are the Real Sons of ARTEE and fake can never win from Real.**

President, ARTEE.**
