

FORMAT OF REPRESENTATIONS TO GET FORWARDED BY MPS/MLAS OR VIPS TO STOP CLOSURE OF TERRESTRIAL NETWORK

Dear Comrade ARTEEians,

We all know that threat of closure of Terrestrial is looming large on all of us. ARTEE is trying its best to stop this and by stiff Resistance posed by us the process has slowed down. We cannot afford to be complacent and have to make all around efforts that it does not take place.

The issue was discussed in CWC in detail and it was decided to approach the political personalities of the respective area to get the representation forwarded to the Hon'ble Minister of I & B. Accordingly a representation is prepared in English and Hindi. All CWC Members / DMC Coordinators / Unit Secretaries are requested to approach the MPs/MLAs or any influential political personalities and get the letter forwarded to the Hon'ble Minister of I & B.

The Letters are in MS Word Format and required Changes may be performed. If any VIP wishes to prepare his own letter for same purpose with difference text, it is welcomed.
