Ref. No. .... By seeing the above table, it is clear that there are very few number of staff working in....  
these dying cadres of D.Tech, M.Tech and D.E.D.

Respected Sir, It is once again humbly requested to remove this Anomaly by opening promotional channel for these deprived low paid cadres. It is proposed that all of these employees may be merged in main stream cadres and may be given one time promotion. If required they may be given a training in NABM to make them eligible for promotions accordingly.

It is pertinent to mention that same thing is proposed in ongoing Cadre Review Proposal under consideration in Prasar Bharati.

An urgent intervention in this subject is requested as Employees in these cadres are deprived since decades and retiring every month stagnated and without any relief.

enclosed as above.

**Respected Sir,**

**With warm regards, we hereby submit this representation for opening Sr.Cum Fitness Quota and for One Time Promotion to Helper and Diesel Staff working in AIR and DD.**

**Sir above mentioned cadres are low paid staff and are deprived since decades. Due to the pathetic condition of no promotional avenues, these staff Members are bound to retire on the same post they joined even after decades of service.**

**Sir, we request your kind attention on the subject.**

**Regards.**
