

## **All ARTEE Members - Your Attention please**

**सभी आरती सदस्य कृपया ध्यान दे**

Returning Officer, ARTEE Election 2017-19 has forwarded a complaint from Sh. Anilkumar S, General Secretary AADEE (new and never Recognized Association) to the General Secretary, ARTEE claiming that there are 984 names in the Voter List of ARTEE Election 2017-19, who have joined their new Association.

Although this is also not true but as per GS, AADEE only 984 ARTEE Members have left ARTEE and joined their Association. Actual number is even very less than this.

Sh. Ashwani Dagar, Plaintiff in Court Case against ARTEE in the past also filed the complaint.

We want to clarify that Voter List of ARTEE Election 2017-19 is prepared as per the details of last RSA Subscription deduction of Financial year 2016-17. Hence, the Voters list of ARTEE Election 2017-19 includes all those who have paid RSA Subscription of Financial year 2016-17 towards ARTEE. But those who have been expelled from ARTEE and those who have resigned from ARTEE by submitting resignation letter were not included in the Voters list.

When we are studying the list and contacted few of Members included in the list submitted by GS AADEE, they conveyed to us that they have neither filled the enrollment form for any other Association and nor joined any other Association than ARTEE.

Many members who have included in the list submitted by GS AADEE have already given consent for RSA Subscription deduction for ARTEE for financial year 2017-18, but they are shown as Member of new Association. Clearly the list is not correct.

In Delhi it is just 70 Members who left ARTEE out of 350+ Members. But many of them gave already given consent for RSA subscription Deduction for ARTEE for the financial year 2017-18.

Even if we deduct this number (984), ARTEE is having 5600+ members. This clearly establishes that ARTEE is the largest Association in the All India Radio and Doordarshan. We thank all ARTEEians to keep the faith in ARTEE and its leadership. ARTEE stand tall and there is no match for ARTEE, as it was in the past.

All ARTEE members included in the final voter list for ARTEE Election 2017-19 are requested to check whether your name is **WRONGLY** included in the list submitted by GS, AADEE and claimed as joined their Association and if your name is there, please submit a letter to GS , AADEE demanding not to consider you as member of their Association. If your name is included in the list and if you have joined their Association , you are requested to submit a letter indicating your resignation from ARTEE on the following Address in a week's time ( within 14<sup>th</sup> Aug 2017).
