

Assistance in Fixation in 5000-8000 Scale

We have come to know that ARTEE Members are facing problems in fixation in Tech vs LA fixation in 5000-8000 (pre revised scale).

Any ARTEE member can send his details to Sh.Upendra Kr.Shukla, Ex AGS(TV) EZ his email uks1190@gmail.com and wait for few days. He has already done fixation work of staff posted in Stations under DMC Muzaffarpur, Rourkela, Bhagalpur, Jamshedpur and Munger. He is voluntarily offering his services for the cause. It is instructed to send details only through the above mentioned email.

We are thankful to Sh.U.K.Shukla for his gesture.
