

Update on Eligibility List of AEs for ADE Promotions

As informed earlier, ARTEE is keen that these promotions takes place to provide relief from stagnation.

We have received many representations about non inclusion of names in eligibility list of AEs. We have taken up their concern also with Authority.

After hectic persuasion by ARTEE now Department is reconsider the decisions on two counts.

[1]. The names which were in previous eligibility list must be there.

Outcome

Deptt has assured to include such names which were earlier there in the list.

[2]. The Criteria of Residency period of service like 3 years upto 2008, 5 years and 2 years 2013 onwards after acquiring Degree was not there earlier and eligibility was considered just from next year of acquiring the degree. The residency period is justified as per recruitment rules and also not tenable in the eye of law.

Outcome

Deptt. has assured to reconsider the decision and if it is accepted the eligibility criteria will be from 01st Jan of preceding year.

We are most sincerely working on this issue and we are keen that these promotions takes place.
