

## **ARTEE Withdrawn the OA 3562/2016**

ARTEE had filed the OA 3562/2016, to generalize the verdict of OA 1867/1998 filed by DEWA to all similarly placed EAs. This OA was filed keeping in view of achieving ACP PATNA and to nullify the effect of 25/02/1999 Upgradation on October 2016.

In this Case we submitted three prayers. Government filed the reply and cited the example to some recently dismissed OAs which was disallowed just for having multiple Prayers. When Central Office checked it is found true, even though we could not find any Ruling which disallows multiple Prayers. It is purely a technical ground and has nothing to do with the merit of the issue. After Consulting with our Advocate, it was decided to withdraw OA 3562/16 with the permission to file a fresh OA with a Single Prayer.

So as per the decision of Central Office, our Advocate withdrew the OA 3526/16 and requested the Hon'ble Court to grant permission to file a fresh OA.

The Fresh OA with a Single Prayer will be filed in January 2018 as Courts are being closed from Friday (22.12.17) for winter vacations.
