

Report on today's Activities after DG(AIR) Order dated 21.04.17

Amidst confusions after the issuance of Order dated 21.04.17 by DG(AIR) about keeping Recognition of all 10 Associations in abeyance for Re verification, on the initiation of ARTEE a meeting of all 10 Recognized Associations took place today (24.04.17) in Akashwani Bhawan .

In the meeting it was decided to exhaust administrative channel before moving further and DG (AIR) was approached through one Representative. DG (AIR) most graciously agreed to Review the Order dated 21.04.2017 about keeping the Recognition in Abeyance. We informed that how his instructions are being misinterpreted at lower levels. DG (AIR) also assured that he is not against Employees.

This is sigh of relief for cause of Employee Welfare. I convey gratitude to our DG(AIR) as well office bearers of all 10 Associations who immediately responded to the call of the time. We expect that whenever there will be a threat occurs in future, all will respond the call at that time also.

At the same time we condemn the efforts of divisive forces for their shameless celebrations of the biggest threat to Employee welfare as their victory. It is certain that such elements can never be well wishers of Employees.

ADTEA Representative Sh. Bharat Lal also attended the meeting and signed the letter to DG(AIR) .
