

## **ARTEE's Action Against Delay in Salary for October 17**

ARTEE Central Office is aware of the widespread resentment about delay in disbursement of Salary. Yesterday (30.10.17) Office bearers of ARTEE visited PB and got assurance that MIB may release LOC today But unfortunately it not happened.

Today (31.10.17) again Sh. Yogesh, VP(TV), Sh.S.P.Singh , SS Delhi and others went to meet ADG(Finance) PB who told that MIB has not released money and that whatever money PB has in IBER is released and after understanding the gravity of the issue PB has asked Banks to break FDs to Pay Salary.

Today ARTEE President also contacted PB Authorities and has send email to Hon'ble MIB and Secy.(I&B) in this matter.

We expect that in next two days maximum stations will get salary.

While some negative minds are spreading rumours that Salary can not b disbursed in this week, ARTEE is trying its best that Salary is disbursed as early as possible.
