

Delay in Disbursement of Salary in AIR HPT Chinsurah, (West Bengal)

Salary for May was not distributed in AIR HPT Chinsurah (West Bengal) because of a mistake by station.

Station wrongly demanded the Rs. 42 lakhs required for Salary in OE head and 8 lakhs of OE head in Salary.

It has resulted in wrong Allocation of Amount and Salary could not be distributed on time.

Lot of efforts were made to get Salary distributed today and staff is also troubled. Today President contacted Member(F) and DG(AIR). Member(F) who is in China, most graciously forwarded my message to Prasar Bharati authorities from their itself and sent President also a reply.

Today (05.06.17) ARTEE met Sh. Khurana, DDG(Finance) and Sh. Krishan Gopal, DDA. We had a long discussion to avoid such confusions in future.

So all Unit Secretaries are requested to take care that their stations apply for funds correctly through online system of Prasar Bharati by 15 of every month so that such unnecessary delays are saved.
