

Update on 5000-8000 Scale to Tech.(4500-7000)

Another accomplishment is on the cards. On behalf of ARTEE, today (22.11.17) followed up the issue. After conversation with authorities it is agreed upon to put up the file to issue the order.

We expect that all Tech(4.5 K) will soon get scale of 5000-8000 scale.

This will also strengthen the demand of merger of Tech and Sr.Tech ,since after this all Tech/Sr.Tech will be in 5000-8000 scale.

Long Live ARTEE
