

Update of 7th CPC to PB Employees

Congratulations, Major Progress in the issue.

As per information, proposal for grant of 7th CPC benefit to PB Employees sent yesterday (04.07.17) (AN) to Department of Expenditure.

Now the focus will be shifted to DoEXP and issue will be followed there.

DoEXP normally takes a month to clear the files. As per information from DoEXP sources such proposals from Autonomous corporations are pouring in DoEXP and they are clearing it with good pace. We expect that the proposal to be cleared in a month or so barring no query is levied.

ARTEE is trying that All PB Brothers get the benefit as early as possible.

Central Office.
