

Update of Grant of 7th CPC Benefits to Prasar Bharati Employees

We have been pursuing the extension of 7th CPC for Prasar Bharati Employees. We submitted a representation on CEO, Prasar Bharati on 01.09.16 and after the issuance of Finance Ministry's order for Autonomous Corporations we submitted another representation on 17.01.17.

As informed earlier, Prasar Bharati has asked DG (AIR) and DG (DD) for sending financial implications for granting of 7th CPC benefits to Prasar Bharati Employees.

Yesterday (29.03.17), we had informal meetings in Prasar Bharati to follow up the issue, then it is known that the required information from DG (AIR) and DG (DD) has reached Prasar Bharati, the proposal is prepared and sent to Finance section of Prasar Bharati. From Finance section of Prasar Bharati, it will be sent to Hon'ble MIB.

In this matter, we have submitted a letter on 29.03.2017 expressing our resentment in the delay in sending the proposal to Hon'ble MIB.

We are following it and further follow-up will be continued in MIB and DoEXP. Recently Prasar Bharati has initiated steps to start a group insurance policy scheme to provide insurance to Prasar Bharati Employees. In the case of Medical facilities, it is already decided that all Prasar Bharati employees can take treatment as per CSMA Rules in all empanelled hospitals. Please see our letter dated 18.02.16, demanding medical facilities to Prasar Bharati Employees
