

Update of Issues of Prasar Bharati Employees

1). Grant of 7th CPC for Prasar Bharati Employees:

We have been pursuing the extension of 7th CPC benefits for Prasar Bharati Employees. We all know that a proposal is to be prepared for sending it to DoEXP through Hon'ble MIB.

Prasar Bharati asked DG(AIR) and DG(DD) to send the financial implication one time and Annul. DG(AIR) sent wrong data and it was sent back for correction. The corrected information was again sent to Prasar Bharati by DG(AIR) around 15 days back. Today we got the information that today required information is sent by B&A Section of Prasar Bharati to Hon'ble MIB. Focus will now be in Hon'ble MIB to send the proposal to Department of Expenditure.

2). PRAN Issue of Prasar Bharati Employees:

We have been pursuing the problems related to PRAN issue. On airnet Human Resource Information System (HRIS) is available and now option to feed PRAN number is also given in this form.

All Employees who have PRAN Number can use this and their PRAN Account may be linked with their profile data.

3). Card for CSMA Treatment :

We got information that many employees are facing the problem in getting treatment in hospitals which are on CSMA Panel for want of some Identity Cards. We are pursuing this issue and trying that one Card is issued to facilitate our Prasar Bharati Employees to get treatment in these hospitals.

4). Insurance for Prasar Bharati Employees:

As it is known that Prasar Bharati Employees are not covered by any Insurance Scheme. On regular persuasion, a group is formed to suggest some insurance for these employees.

***** ***** *****

It is a humble appeal to all Prasar Bharati Employees to differentiate that who is actually working on your issues and who is just making big and impractical promises.
