Respected Sir,

With warm regards, we want to draw your kind Attention towards our previous letters ARTEE/P/101/7/2018 dated 30.7.2018(copy enclosed) & reminder ARTEE/P/105/09/2018 dated 11.8.2018 (copy enclosed) requesting you for granting us a meeting on some of the burning issues of Sub Ordinate Engg. Employees from Helper to AE cadres.

Sir, we welcome your initiative for organizing an OPEN HOUSE for Programme Cadres but we feel disappointed that even after two letters, your high office is unable to spare some time for the issues of 9000+ employees. I request not to make this a precedence that an Agitation is required to high light the issues or even to meet you.

See the pathetic situation of Sub Ordinate Engineering Cadres :

- [1]. Helper is Retiring as Helper even after 30-40 yrs of service and Stagnating.
- [2]. Tech/Sr.Tech are thirsting for Promotions and stagnating.
- [3]. Engg. Assistants are not granted even a single promotion even after 25-30 yrs.
- [4]. No SEA is promoted since last 7 yrs due to pendency of EA/SEA Merger.
- [5]. No Scope for promotions Diploma AEs since last 30 yrs even after recommendations of so many committees.
- [6]. All of these cadres are under the threat of Downgradation, Refixation and Recovery due to treating 25/2/99 scales as Upgradation while granting MACP.
- [7]. ACP is not granted to all of these cadres.
- [8]. Many Other issues.

We hereby humbly remind you about our request to spare some of your valuable time for a meeting with the representatives of our Association (ARTEE) as early as possible to discuss. We also **demand that one Open House should be called for the cadres of Helper to AEs as early as possible.**

Yours faithfully,

Umsharma
