Subject : Extending the facility of outdoor/Indoor treatment as per Order no. A-10011/5/2015-PPC Dated 04/12/2018 to Employees on deemed deputation for Areas not covered under CGHS Scheme.

Respected Sir,

With warm regards, we welcome the above mentioned order for providing outdoor/Indoor treatment to Prasar Bharati Employees joined after 05/10/2007. (copy enclosed)

We want to draw your attention that Employees working on deemed deputation are covered under CGHS Scheme but there are many Areas in the Country where coverage of CGHS Scheme is not available. As a result these employees posted in stations falling under these areas are not being provided any medical coverage whether they are deemed deputation or PB Employees. They are bound to depend on private hospitals.

In the light of above fact, we request you to extend benefit of above mentioned order for employees working on deemed deputation also in stations falling in areas which are not covered under CGHS Scheme. When such employees are transferred to the station where CGHS is available, the employee will be covered by CGHS Scheme as usual facilities as per order mentioned above will not be available to them.

We also request you to extend benefit of such orders to the Employees on deemed deputation on case to case basis.

Yours faithfully,

Umesh Chandra,
President, ARTEE
