[Kind Attention : Sh. Dinesh Mehur, ADG(A), Prasar Bharati],

Subject : Request to release routine transfer list and LPT Closer re deployment in one single list after amalgamating both.

Respected Sir,

With regards, this is for your kind information that routine transfer lists are for non gazette sub ordinate engineering cadres like SEA, EA, Sr.Tech, Tech, Helpers and Diesels staff are released as per the prevailing system in all five zones.

Now in post closer scenario of LPTs, another painstaking exercise has to be conducted by Zone and with every release of LPT Closure the options of adjustment of staff are shrinking. At present both lists are being released separately and it is further creating troubles for the staff. Please note that this staff includes low paid non transferable cadres like Tech, Helpers, DED etc.

The issue was discussed in recently concluded General body meeting of this Association in Jamshedpur and a consensus has emerged that If both the lists are amalgamated in one list, it will create more opportunities and options for the staff for adjustment and staff may be saved from hardships. It will also pave the way for more better utilization of human sources for department.

It is pertinent to mention that recently the issue of Re deployment of staff has been raised in Hon'ble Parliament also, henceforth the issue is becoming more sensitive.

So we hereby request you to issue instructions to all five zonal headquarters to release normal and Re deployment lists in one after amalgamating both the lists.

We request you immediate intervention on the issue.

Yours faithfully,

Umesh Chandra,
President, ARTEE,
