Subject : Request to release EA and SEA promotion lists simultaneously on a single date to avoid the complication in preparing the eligibility list for SEA to AE promotions through interlacing under 25% quota.

Respected Sir,

With regards, as per your instructions procedure of EA to SEA Promotions has been started. However we are opposing these promotions but through this letter, we want to bring another issue which created lots of problems in past and certainly will again be a matter of concern.

In past these promotions were not being conducted simultaneously in all five zone and it has deprived the SEAs of the zone who promoted later and SEAs who promoted earlier were being placed in advantageous situation due their joining before SEAs of other zones. It is pertinent to mention that all India eligibility list is prepared through interlacing of SEAs of all five zone.

This Association raised this issue and it was decided that promotion lists of all five zones will be sent to DG(AIR) for Approval and after approval it will be released on a single date in all zones to avoid the depriving of SEAs of any zone.

This time also, these promotions in all five zones are not done simultaneously and this will create the same situation of past again.

Henceforth we request you to follow the same system of releasing the promotion lists on a single date which was being followed earlier to avoid further complications in interlacing to prepare eligibility list for SEA to AE promotions under 25% quota.

We request you immediate intervention on the issue.

Yours faithfully,

Umesh Chandra,
