Respected Sir,

With warm regards, this is a reminder to issue Clarification about consequential benefits in grant of Technicians joined between 25/2/99 to 05/10/2007, earlier working in pre revised scale of 4000-7000, granted scale of Rs. 4500-7000 and now granted scale of 5000-8000. This letter is in continuation of our previous letter mentioned above.

It is pertinent that many stations are denying the Arrears by misinterpreting the orders. In our previous letter we explained the complete sequence of events.

We once again request you to kindly issue a clarification that first Tech/Helpers working in 4000-6000 and joined between 25/2/1999 to 05/10/2007 will be granted scale of Rs. 4500-7000 from Date of Joining with all consequential benefits so from Date of joining as per DG(AIR) dated 16/5/17. After this when they become Similarly placed to the incumbents of 12/5/17 order they will be granted 5000-8000 Notionally (Arrears from May 2015).

An urgent intervention is requested.

Thanking you,
Yours faithfully,

Umesh Chandra
