Respected Sir,

With warm regards, we want to submit this representation about postings on promotions from SEA to AEs.

Sir, at present the process of promotion for SEA to AE is going on and very soon these staff members will be posted on promotions. At present the sanctioned strength of AEs is 1974. In the current process promotions are likely to take place for 450+ posts. Meanwhile after recent AE to ADE Promotions, already 323 posts have become vacant. Clearly more posts of Assistant Engineers are vacant than the people going to be promoted.

Sir, as currently Prasar Bharati is facing the fund crisis and in case of transfers, department has to be spent huge amount on transfer related allowances.

In the light of above mentioned facts and scenario, it is most humbly requested that these SEAs may be posted on the same place of posting as far as possible. It will save transfer related funds, will cause less disturbance to staff and It will certainly enhance the efficiency of staff.

Thanking You,

Yours faithfully,
