

Instructions for submitting Memorandum to Hon'ble Governors of States with request to forward it to CEO, Prasar Bharati

As informed earlier, ARTEE planned to launch Agitation steps to express resentment of certain issues like unplanned closure of LPTs without adjustment of staff working in these LPTs, delay in CCS(RSA) Recognition and repeated coercive actions by Department even after many court directions. We tried our best to take along the other Associations in these steps but unfortunately these Associations took their feet back even after agreeing on expressing the resentment. But as a responsible Association, ARTEE will never run away from its responsibilities and we have decided to go alone.

We have prepared one representation and this has to be submitted to the His Excellency Governor of your respective state after taking an Appointment, with a request to forward it to:

**Sh. Shashi Shekhar Vempatiji,
Chief Executive Officer,
Prasar Bharati, Prasar Bharati House,
Copernicus Marg,
New Delhi - 110001.**

The representation is in editable format. Please fill up details of Hon'ble Governor and Office bearer submitting it.

[Click here for Copy of Representation](#)

We expect that all representations will be submitted before CWC Meeting in Jamshedpur on 21/12/18. Please send scanned copy of representation submitted to Hon'ble Governor to us on **umsharma01@gmail.com** or **artee.president@gmail.com**. If possible please take a picture of the meeting with Honourable Governor and send along with the receipt of representation.
