

Closure of LPTs/VLPTs - Another Fall out of De Recognition.

We express our strongest resentment on the arbitrary decision of closing 272 VLPTs/LPTs of Doordarshan by an order dated 12.01.18.

As per our information the decision is taken without the approval of Hon'ble Ministry of I & B.

On 23.11.2017, we had uploaded a draft representation on our website to be sent by Hon'ble MPs/MLAs and other Influential personalities of society .Now it is high time to express the Unity. It is a humble appeal to all members to put pressure on Government by approaching the MPs/MLAs or any influential political personalities and get the letter forwarded to the Hon'ble Minister of I & B. The Letters are in MS Word Format and required Changes may be done.

Merely forwarding the representations may not work. Approach the Influential people so that they talk to Hon'ble MIB & Hon'ble MOS (MIB) to stop this Anti Employee Move by Prasar Bharati /DG DD.

Please send one copy to umsharma01@gmail.com

ARTEE is committed to do anything to everything possible in the current scenario.
