

# **Activities against LPT Closure by ARTEE along with other Associations**

In continuation of our efforts against closure of LPTS, we have Contacted leaders of ADTEA, PSA and ADP3. Tomorrow a meeting is called. We will try to revive SSS only on 3 points which are common to all 4 Associations.

Today we had a meeting of four Associations and all agreed to form a common platform of SSS mainly on three common points:

- (1) LPT Closure
- (2). 25/02/99 issue
- (3). Funding to Prasar Bharati

Today (15.01.18) leaders of all four Associations first met Sh. Ajay Gupta, E.in.C, DD and took feedback from him. We discussed the various aspect of the move. Sh. Gupta assured to raise points on higher levels.

After this we met Madam Supriya Sahu, DG Doordarshan. She informed that to curtail the expenditures we are compelled to take the decision. We conveyed our concern to her. She assured to convey our concern in Prasar Bharati Board Meeting scheduled on 16.01.18.

After this all representatives along with around 50 employees went to meet CEO, Prasar Bharati. Respected CEO asked us to submit the concern through a representation and his OSD assured to meet Employees Representatives day after tomorrow.

Meanwhile ARTEE started a campaign to garner global support from UNI. A mail was sent to all the Officer bearers of UNI-APRO and we received an immediate response.

ARTEE, ADTEA, PSA and ADP3 are committed to take up the issue and solve it.

**LONG LIVE ARTEE, LONG LIVE EMPLOYEE UNITY.**
