Respected Sir,

With regards, this is in reference of steps being taken by O/o DG(AIR) for EA/SEA Promotions.

We discussed the issue in General Body of ARTEE held in Jamshedpur (Jharkhand) on 21/12/18 in details and we found that these promotions are not in the interest of EA/SEA and AEs. It is pertinent to mention that issue of Merging EA with SEA in 4600 Grade Pay is lingering on since 2007 despite favorable verdicts in OA 2940/10 by Praveen Kumar & Ors and OA 282/2018 by Sh. Vijay Haroor & ors.

Department has challenged the Verdict in OA 282/2018 by Sh. Vijay Haroor & ors through WPC 8712/2018 in Hon'ble High Court. Last date was 06/12/18 and argument took place. Next Date is 19th Feb 2018. We expect that verdict may be delivered in the case on that date.

CWC/General body of ARTEE discussed the issue thread bare for two hours. After discussion following Resolution is adopted :

It is resolved to send a mail on behalf of ARTEE to all authorities to postpone the EA/SEA promotion process till 19th Feb 2019 which is the next date in Vijay Haroor case WPC 8712/2018 for EA/SEA Merger as we expect that on next date Hon'ble High Court Delhi may give verdict in the case.

SEA/AE Exam may be notified only after this date.

Sensing the urgency, I am sending this mail from Jamshedpur and request to postpone the process of these promotions.

Umesh Chandra,

President, A.R.T.E.E.
