

## **Treating 25.02.1999 Scales as Upgradation for MACP**

As per information, Prasar Bharati has forwarded the Hon'ble MIB letter dated 31/01/18 for taking appropriate action. The letter has reached DG (AIR).

Sensing the urgency three Associations, ARTEE, ADTEA and PSA met ADG(A) and discussed various options to minimize the damage.

It is to be noted that the action which was on slow pace in Prasar Bharati is accelerated after the meeting of few small groups with Hon'ble MIB. It is surprising that why this issue was not discussed with HMIB and if discussed why this output?

We, the effected Associations are determined to tackle the situation with extreme care with the intent to minimize the damage due to MIBLetter dated 31.01.2018

We shall further update on the issue.
