

# **Congratulations**

AE to ADE (323) promotions are out. Now postings will be done by DG (AIR). ARTEE have been working hard for these promotions right from the releasing the eligibility list.

We congratulate all the promotees. Maximum of them are from ARTEE. These promotions will certainly have cascading effect downwards and the post vacated by these AEs will facilitate further promotions. Simultaneously we are working on EA to SEA Merger so that all EAs may appear in the LDCE for promotions.
