Subject : - Resentment regarding very unfortunate demise on duty at HPT(TV)- FAIZABAD(U.P) with one of our Colleague **SRI.D.K.MAURYA JI**, Helper due to electric shock on duty & demand to ensure safety measures while working at all the stations/installations of DOORDARSHAN & AIR by our Dept---
- Regarding.

Respected Sir ,

With warm regards, we want to inform you about an unfortunate incident untimely & accidental demise of SRI.D.K.MAURYA ji (Helper) at HPT(TV)-FAIZABAD(U.P) on duty of 14/2/2019 evening . He succumbed to death due to heavy electric shock he received in the SWITCH ROOM (Change Over Room) of HPT during duty hours. He was a very hardworking & sincere worker of age around 55 years and he was also dedicated towards all works assigned to him .He had been a sole earning member of his family & being the lowest paid worker ,the situation of his family may become miserable & frightening now due to sudden loss of only earning member of that family. His son & daughter are still studying & wife has been a house lady only.

In sequence of seeing such frightful accident & his unfortunate death on being 'ON DUTY' ,we demand following things to raise expediently before the highest authorities of our department through our ARTEE CENTRAL OFFICE :-

1. To offer a Govt Job surely to one of his dependent of family on priority .
2. To pay an adequate lump sum amount immediately to his family by Dept.
3. To pay all his dues as per rule by Dept quickly.
4. To force Dept to follow the norms & safety methods of INDIAN ELECTRICITY RULES strictly while working (on duty) uniformly at all the stations of DD & AIR in our Dept.
5. To "Abolish the system of One man shift for all stations"(which are still in practice).
6. As a responsible association we have demanded it many times before too & now also on priority.

We expect a fast and quick intervention from your office.

Yours faithfully,

Umsharma
Umesh Chandra, 18/2/19
President, ARTEE
