

Another Step towards Success - RSA Recognition Proposal forwarded to Prasar Bharati

CCS (RSA) Recognition process has gain substantial progress. As informed earlier, ARTEE is pursuing the issue with utmost intensity.

As per information, Proposal for Recognition as per CCS (RSA) Rules is sent by DG (AIR) to Prasar Bharati. Now the focus will be in Prasar Bharati.

Our efforts will be to get the proposal forwarded from Prasar Bharati to Hon'ble MIB for final decision on contentious issues and grant of Recognition.

ARTEE president had met DG (AIR) on 24.10.19 and requested him to forward the proposal. DG (AIR) assured that it will be forwarded in first week of November as ADG (A) who is Nodal Officer was on leave.

The proposal is forwarded with all the complaints etc. No decision or No recommendation is given by DG (AIR). All decisions will be taken by Hon'ble Ministry with the approval of Hon'ble Minister of I&B.

Job is neither over nor done. We have to continue the vigorous follow-up.

Long Live ARTEE
