

Clarification about Rs.5000-8000 (Pre-revised) Scale to Technicians

We were receiving complaints from Technicians who were granted 4500-7000 (pre-revised) and then Rs.5000-8000 (pre-revised) pay scale that some negative minded officers are trying to downgrade their Pay by misinterpreting orders dated 07.02.19 and 11.03.19 issued by DG AIR.

We took up the issue very seriously and expressed our resentment in the issue by the Representation dated 11.02.19 and by ARTEE's persuasion DG AIR today (27.05.19) issued a clarification that all Technicians joined upto 05.10.2007 are granted Rs.5000-8000 (pre-revised) scale. This order is in continuation of DG AIR letter dated 11.03.19.
