SUB: NON-DISBURSAL OF OCTOBER MONTH SALARY AND BONUS – PLIGHT OF STAFF IN FESTIVE SEASON – REQUEST FOR IMMEDIATE INTERVENTION – REG

Esteemed Sir,

With highest regards, we wish to thank the government for declaring bonus in spite of adverse economic conditions. But in spite of the government positive decisions, the fruits of government decisions are not reaching the employees in time during these festive seasons.

We regret to inform your kind self that so far October month salary is not credited to staff of All India Radio and Doordarshan working in Prasar Bharati. The reason sited is migration to a new TSA Account System of RBI.

Sir, the government has kindly granted us Bonus in spite of facing Covid 19 related economic downturn and fall in revenues. Govt assured that it would be credited before Durga Pooja / Vijaya Dashami. It shows your magnanimity towards employees.

Regrettably, even that Bonus has not been credited in Prasar Bharati so far.

Not only that: we are constrained to inform you that Prasar Bharati is mum even on the bold LTC Special Cash Package announced by the govt to revive the economy.

Sir, we all hoped that we would get these amounts in time to purchase goods for this Diwali festive season. But alas, we never expected that even the disbursement of our salary would be delayed.

Sir, as you are kindly aware, we all have to pay some or other kind of EMI before 5th of every month, for Home Loan, Vehicle Loan etc. The EMI is cut from our salary account. If enough balance is not available in time, we shall be charged severe penalty.

Due to Covid 19 pandemic, our children are taking online video classes from home. Their tuition fees we are paying weekly. If we don't get salary in time, it would be impossible to pay the tuition teachers.

Sir, as your kind self appreciated many times, the subordinate staff of AIR & DD are working 24 hours / 7 days like frontline warriors, be it on countering the vicious propaganda of foreign countries, keeping up the morale of our courageous soldiers, or in the fight against Covid19. Under your able leadership, AIR&DD have made an immense contribution to the fight against Covid 19, by broadcasting necessary health-related programmes. Many of our staff have fallen victim to Covid in their line of duty. I request your good self to keep up our morale by releasing our salary and other due benefits in time.

Sir, we urge your kind self to immediately utilize your enormous goodwill and get our salaries released immediately.

With Highest Regards,

Thanking You Sir
