

CONDOLENCE

ARTEE mourns the death of Sh. Hali Ram Burman, SEA, AIR Guwahati & Ex office bearer due to kidney infection after prolonged illness today. He served as Unit Secretary AIR Guwahati and AGS(AIR), NEZ.

It is shocking as he diligently worked for this association and has been a very loyal ARTEEian. It is unfortunate that due to lockdown none of our people could attend his funeral. His mortal remains are taken to his native village. We pray to the almighty to rest his departed soul in heaven with peace. **OM SHANTI SHANTI**
