Sub: Donation to 'Prime Minister's Citizen Assistance and Relief in Emergency Situations Fund (PM CARES Fund) from members of 'ARTEE' Largest association of electronic media

Respected Sir,

The nation is facing the biggest crisis and all are aware that the nation needs to take care of the needy. Association of Radio & Television Employees (ARTEE), the largest association in AIR & DD with 3432 members across the nation, realizes the need to support the nation at this critical juncture. Therefore the Central Committee of ARTEE, after consulting our CWC members, has decided to donate one day salary by our members to the Prime Minister's Citizen Assistance and Relief in Emergency Situations Fund (PM CARES Fund) . Therefore on behalf of members of this association we request you to deduct one day salary from our members so that our members can donate one day salary from their salary to Prime Minister's Citizen Assistance and Relief in Emergency Situations Fund (PM CARES Fund).

We once again assure all support for the measures taken by the Honorable Prime Minister Shri Narendra Modi ji for fighting the Covid 19 and would offer any additional support whenever needed.

With highest regards

M.P.CHAUDHARY

MANOJ KUMAR GUPTA
