Respected sir,

With highest regards, your kind intervention is solicited to address the very serious issue of safety of staff on duty at AIR & DD installations. Several attacks on our staff have been reported recently while performing their duties by local miscreants and professional thieves inside the campus of AIR & DD installations .These unfortunate incidences increased since the services of security guards withdrawn by Prasar Bharati and our association expressed our resentment on it also. Now situation is being horrible due to occurrence of such manhandling & attacks inside the campus of AIR & DD installations by the outsiders and local miscreants frequently without any fear. Staffs on duty are horror-stuck and feeling terrified because of such unexpected attacks which may bring their lives in danger too.

It is very unfortunate to inform you about a fatal attack performed by some local miscreants or outsiders on 01.06.2021 inside the campus of HPT-MALAD, Mumbai (WZ) where Sh.Prasad Sane,EA,HPT-Malad was mercilessly beaten and attacked with a long sharp weapon on his head by the goons while performing his duties in the aerial field of AIR HPT-Malad . Sh. Prasad Sane is seriously injured during this attack and he has been admitted to the hospital in a very critical condition with a severe skull injury. It is pertinent to mention here that there have been no security arrangements at HPT MALAD and miscreants took the advantage of it to fulfil their plan freely.

There are many such examples of unfortunate incidences of different scales occurred at AIR & DD installations throughout the country where lives of staffs on duty jeopardised infallibly most of the times due to lack of sufficient security only.Attacks on staffs on duty by local goons/miscreants at AIR installations of Khampur & Kingsway Camp,New Delhi were also reported to the authorities in the past.

Our Association requests you to intervene on this matter by taking the cognizance of “HPT-MALAD attack “ seriously and do the needful for the adequate deployment of security personal at all installations of AIR & DD including HPT-MALAD and other necessary actions on priority to ensure the safety & morale of staffs on duty at all AIR & DD installations.

Thanking you in anticipation.

With warm regards,

**M.P. Chaudhari**
