Subject : Request to issue necessary instruction to release Transfer Orders of Subordinate Engineering Cadre who are posted at difficult/tenure Stations & completed their tenure – Reg.

Respected Madam,

With due respect it is to bring your kind attention that transfer of many officials belonging to Subordinate Engineering Cadres who are posted at various difficult stations of Prasar Bharati is still due after the completion of their tenure on those difficult stations. We appreciate the release of transfer order in the cadre of Assistant Engineer of AIR by the directorate but the release of transfer order of Doordarshan in the same cadre is still pending. Offices of Zonal ADGs are also waiting for the further instructions to release the transfer list of Subordinate Engineering Cadre under their jurisdictions.

Kindly consider the request sympathetically and issue necessary instruction to Zonal ADGs and concerned directorate to release the transfer Orders of Subordinate Engineering Cadre who are posted at difficult /tenure stations of Doordarshan & AIR at earliest & oblige us.

Thanking you in anticipation.

Sincerely yours

M.P.Chaudhari
