Subject : Serious Concern on frequent delay in disbursement of salary of Employees of DD & AIR in recent times including the salary of the month of February 2021 of Employees at many stations - Reg.

Respected Sir,

With profound regards it is to draw your kind attention towards the cases of frequent delay in disbursement of salary of Employees of DD & AIR in recent times including the salary of month of February 2021 of Employees at many stations and our association has raised this issue before too . Sir ,salary should be credited to Employee's account at least on last working day of each month but its not happening uniformly due to delay in transfer of fund to all stations by Prasar Bharati on many occasions in a year. Delay in disbursement of salary is creating a number of inconvenience to the employees. Our association request your vigilante intervention on this serious matter and kindly do the needful to avoid further such frequent delay in disbursement of salary of employees of DD & AIR .

Thankyou & Regards.
